Eating Disorders Today - What We Know and What We Don't

Rachel Presskreischer, MS

Rachel Presskreischer, MS is a doctoral candidate in the Department of Health Policy and Management at the Johns Hopkins Bloomberg School of Public Health. Her research interests include implementation of state and federal mental health policies, enforcement of mental health insurance regulations, and barriers to mental health treatment. From 2014-2017, she worked for the programs department of the National Eating Disorders Association and is currently a member of the Research-Practice Integration Committee of the Academy for Eating Disorders. She received her BA in individualized study from New York University, and her MS in social work from Columbia University with a concentration in social policy.
